

Put Us on the Path to Success!

\$250

Carve your name in history by participating in the "Pave-the-Path" program at the National Museum of Nuclear Science & History.

This path will wind its way around Heritage Park through the amazing collection of artifacts, aircraft and weapons in the nine-acre park outside the Museum.

The Museum is a national center of nuclear science information and is dedicated to preserving and presenting information about critical topics to the public. You will have the satisfaction of knowing your gift contributed to the success of the Museum.
