

One Day Camp Descriptions

All one day camps are for children currently enrolled in Grades 2-5. Camp hours are from 9AM to 4PM. Campers can be dropped off as early as 8AM and picked up as late as 5PM free of charge. The Museum will provide snacks, but campers will need to bring a lunch. If you have any questions, please contact the museum at 245-2137 x 120.

Space Odyssey (Grades 2-5) Monday, March 15

Investigate the skies as you discover the challenges facing people who work in space. Find out how things fly, learn about different planets and stars, and discover what it takes to be an astronaut in this exciting day camp.

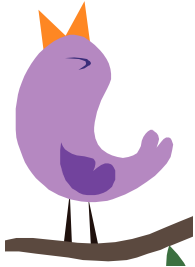

Science of Art (Grades 2-5) Tuesday, March 16

Expand your artistic horizons while discovering the science behind different kinds of art. Campers will study the use of color and light in art. They will also learn different scientific techniques that artists incorporate in their work.

Great Inventors (Grades 2-5) Wednesday, March 17

Find the secrets behind fabulous inventions as you make them yourself. Become an inventor while you learn about the different scientists who have made exciting machines throughout time.

Messy Mixtures (Grades 2-5) Thursday, March 18

Cook up a storm while learning about the science behind food. Discover kitchen chemistry while making snacks and performing experiments with common household items.

Adobe, Bridges, and Domes (Grades 2-5) Friday, March 19

Investigate principles of structural engineering with hands-on experiments and exploration. Discover all about structures while building some of your own to take home.
