

Spring Day Camp 2019 • March 11 - 15

Camps are for grades Pre-K/Kindergarten, 1-3, and 4-7. Our education team has divided most spring break camp topics into age appropriate groups in order to provide campers with the best possible experiences. Campers need to bring a nut-free lunch, snacks, and a refillable water bottle. If you have any questions, please contact the museum at 505-245-2137, extension 101.

Monday, March 11

GOT GAME? (GRADES 1-3)

Put your game face on and flex your problem-solving skills with games, riddles, puzzles, and more! Learn the secrets behind game creation and design your own game in the process.

GOT GAME? (GRADES 4-7)

Put your game face on and flex your problem-solving skills with games, riddles, puzzles, and more! Learn the secrets behind game creation and design your own game in the process.

Tuesday, March 12

BUGS (GRADES PRE-K 4 year olds to Kindergarten)

Come join us as we unearth the secret lives of bugs! From ants to zebra butterflies, we will investigate what makes these insects so interesting.

OH, BUGGERS! (GRADES 1-3)

Dig deeper into the secrets of bugs, how they live, and what's inside these creepy crawlies. Bugs, they are everywhere!

DELVING INTO DISSECTION (GRADES 4-7)

Ever look at an animal and wonder what's inside and how it works? Now you'll have the chance to see for yourself as you delve into dissection basics and put them into practice.

Wednesday, March 13

SURVIVAL SCIENCE (GRADES 1-3)

Do you have what it takes to survive? Learn the science behind purifying water, cooking food with the power of the sun, and navigation.

SURVIVAL CORPS (GRADES 4-7)

Can you survive? Learn basic urban and wilderness survival tips and tricks like water purification, food prep, and more. Don't worry, this camp isn't dangerous!

Thursday, March 14

GROSSOLOGY JR. (GRADES PRE-K 4 year olds to Kindergarten)

Sticky, slimy, and smelly! Explore the science of all things icky, yucky, and just gross. Uncover the mysteries behind slime, smells, and more!

GROSSOLOGY (GRADES 1-3)

Are you ready for some smelly, slimy, and sticky science? Embrace the grossest parts of science as we explore slime, bugs, scat, and the human body.

ADVANCED GROSSOLOGY (GRADES 4-7)

What is gross? Slimy, stinky, sticky or yucky? How about all of the above! Make slime and other gross science. Have a grossly fun time!

Friday, March 15

ROBOTS ARE EVERYWHERE (GRADES 1-3)

How does a robot do what it does? Learn the basics of robot construction and coding. Robots are a huge part of our lives. Build the future!

ROBOTS ARE EVERYWHERE (GRADES 4-7)

How does a robot do what it does? Learn the basics of robot construction and coding. Robots are a huge part of our lives. Build the future!

Full-day camps for grades 1-3 and 4-7 will take place from 9:00 am to 3:30 pm with a pick-up no later than 4:00 pm. Please bring a nut-free lunch, snacks, and a refillable water bottle.

Half-day camps for Pre-K 4-year-olds and Kindergarteners will take place from 9:00 am to 11:30 am with a pick-up no later than 12:00 pm. All campers must be toilet trained. Please bring a nut-free lunch, snacks, and a refillable water bottle.
